University Gossip.

An interesting game of baseball was played yesterday afternoon at the university between the South side, or "amail boys," nine and a nine from West Washington, principally from the ligh School. It was the first game of the season for the college boys, and they acquired themselves very creditably, making only six errors to twoire for the others. The game consisted of only seven innings, the West Washington nine boing hopolesely beaten by that time. The score then stood; College nine, 14; West Washington of The former made seven earned runs, the latter one. The following played on the College nine, 1. He. Gourtney, s. s.; Lb. Atlain, lb.; R. Martinez, r. f.; F. Devine, c.; L. Caulfield, 3b.; H. E. Gourtney, s. s.; Lb. Atlain, lb.; R. Martinez, r. f.; F. Devine, 2b., R. O'Bryan, c. f.; C. Maginnis, l. f. The West Washington nine consisted of sewell, p.; Estley, c.; Frey, s. s.; Macoy, 3b.; Moran, lb.; Cunningham, r. f.; Masterson, l. f.; Duvall, c. f.; Shepley, 2b. Considering the lack of practice on both sides, the throwing was not discreditable. The College boys got in some heavy hits, a three-bagger boing one.

The proposed game between the University Nine and the Nationals will be more in the nature of a practice game for both nines than an exhibition game, as neither time has bad much oppertunity for practice this spring. Considerable interest is felt in its result, however.

Considerable interest is felt in its result, however.

The Junior, or "small boys" nine of the University would like to receive a challenge for Tuesday or Thurnday afternoons from reputable nines in the District, the ages of whose members are between 13 and 16.

While the University nine is endeavoring to arrange a series of inter-collegate games between colleges in the District the Junior nine of the university is trying to arrange a series of games with the Gonzaga College nine. Nothing will be done, however, before the Easter holidays, which begin next Tuesday and continue until Wednesday of the week following.

There seems to be no abatement of scarlet fever in East Washington.
